# WORD FROM THE PASTOR

But now thus says the LORD,

he who created you, O Jacob, he who formed you, O Israel:

Do not fear, for I have redeemed you;

- I have called you by name; you are mine.
- <sup>2</sup> When you pass through the waters, I will be with you, and through the rivers, they shall not overwhelm you;
- when you walk through fire you shall not be burned, and the flame shall not consume you. *Isaiah 43:1*

Do not fear, for I have redeemed you. I think of times where I have helped my boys learn how to swim. I stand in the pool away from them and attempt to coax them to let go of the edge and push off to me. The general refrain is "You got this" and "I will catch you". Encouragement and assurance. Isaiah is sharing the encouragement with a people going through a difficult time. Do not fear, God has redeemed you. God knows you by name. It is okay to go through the waters, God is with you. The fire will not hurt you. Isaiah's comforting words are that the God who created, formed, and called by name will go with you through the struggles you have in this world.

The Holy Spirit is described in the imagery of water and fire. Through the light of the Spirit this scripture takes on another meaning for me. When Isaiah talks of passing through the waters, I think of our baptism. As the Spirit washes over us we are redeemed and reclaimed us in God's love. Taking on our new identity as Christians can be overwhelming. While we rejoice in the good news of Jesus, daily we are reminded how we fall short. God has called us by name and yet we keep making mistakes. Sometimes we slip back into bad habits and other times we fall into new ones. In reflection of who we are compared to who we are called to be we can feel like the waters of baptism were less a peaceful pool and more a dangerous rapids leading to a waterfall! How can we possible call ourselves Christians when we can barely stay afloat. Isaiah's words come back to tell us to not worry, God is with us. As we live out our baptism God is there to continue reassure us that even if it feels like the water is to deep God has claimed us.

The imagery of the fire leads me to the Holy Spirit calling us into mission in the world. Like a fire it can seem dangerous. Will I get burned if I try? If I say yes will it consume my life and burn me out? This are important concerns to contemplate when volunteering to help. We don't want to fail and hurt others or ourselves. The Holy Spirit though continues to call to us encouraging us that we can do this. We can leave the place of comfort and follow the call into mission and action in the name of Jesus.

May you know the love of God in Baptism and here God say "I will catch you". May you here encouragement of the Holy Spirit shouting "You can do this"!

Blessings, Pastor Ryan

# >>> WORSHIP

#### Worship for June

This summer we are going to be looking at different parts of the path to discipleship. We will begin in June by examining our call to discipleship.

Works of Piety

Created by Steven Manskar, this chart uses John Wesley's idea of means of grace and breaks it down into ways we do this in a corporate setting and ways we do live out the grace individually. We will be looking at this chart during the summer and I invite you to reflect on what are things that you already do in these areas. Each month we will lift up how individual, in small groups and as a faith community we can live out these acts to grow in our discipleship of Jesus Christ.

#### **Capital Campaign Update**

Things are moving along with the capital campaign. The equipment has been ordered and we've begun the process of bidding the electrical work. As soon as that is completed, we expect to begin installation of the new technology in the sanctuary!

In the future, we will address the technology needs of the gym overflow where 2<sup>nd</sup> service holds its worship services. At this time, the Unified Board felt the 2<sup>nd</sup> service is still deciding their seating preferences and the issue of having a gym located next to the worship area creates the possibility of damage from stray balls flying into equipment. More input will be needed to address these issues before we can design a technology plan that is adequate for this area. Once that has been decided, the second service will also be upgraded with an additional capital campaign.

The Unified Board would like to thank the members of Andover UMC for their gifts to this campaign. Our church is a great place to worship and your commitment to upgrading the worship experience is very much appreciated.

#### Social Justice Goal for AUMC

The Unified Board set a goal to explore how our congregation could grow in our ability to talk about and respond to justice issues. To meet that goal, six of our members attended a meeting at Chapel Hill UMC in April to discuss social justice issues that need attention in the Wichita area. The meeting had approximately 300 in attendance and started with laying a Biblical foundation of why social justice is a part of the call for our Faith. Among the Bible passages referenced were Nehemiah 5:5-13, Matthew 23:23-34, and the most famous, "O mortal, what is good; and what does the Lord require of you but to do justice, to love mercy, and to walk humbly with your God?" from Micah 6:6-8.

What is up next for our church? We plan to promote, to our congregation, the small group meetings put on by the larger group that will begin happening in August where discussions will center around areas that need attention in the Wichita area. After these small group meetings, the larger group will pick 2 issues that will be researched, and plans made for solutions.

In the meantime, our congregation will bring in a speaker about issues in the Andover area for a luncheon like the one we had with Kansas Appleseed on food insecurity. Watch your Outreach and "This Just In" email to hear up to date information on our speakers and times for small group meetings. All of the congregation is invited to get involved with social justice.

Attending the meeting at Chapel Hill were Melissa Connell, Debbie Smith, Cathy Durano, Cathy Harmon, Nancy Mattke, and John Hope. Be sure to talk to these members if you want more information.

Roy, Harold Connell, Russ & Frank

Monday was a travel day. Tuesday they got to work. The structure was adobe with stucco on the walls. The roof had a number of layers – tin, tar, shingles and sheeting board. The goal was to salvage as much wood and usable items as possible from the roof. They got most of the shingles off on Tuesday and removed the remainder of the roof on Wednesday. The "junk" filled a large dumpster. Then the walls! Those were not built to be torn down but finally, it was done.

As always on these mission work trips, there was some fun. With this group – mostly eating at some good southwestern restaurants – one in Santa Fe and of course there was ice cream. They were responsible for preparing their own breakfasts and lunches. Sleep came easy – hard work.

AUMC has a history with McCurdy with various groups going over a number of vears.

Thanks Roy, Russ and Frank for your good work.

AUMC TO McCurdy in New Mexico

On May 15, 2023, 3 men from AUMC joined 9 other Methodists to journey to McCurdy in Espanola, New Mexico for purposes of tearing down an old garage. Roy Hayden, Russ Thiel and Frank Mattke represented us well. Roy Hayden who volunteers at Habitat for Humanity linked up with Glen Tombaugh about the need for the trip and encouraged Russ and Frank to go. A little extra connection was that Melissa Connell's grandfather was on the trip.

# >>> CROSSFIT YOUTH NEWS

Happy June!

As you're reading this our high schoolers are most likely getting ready to head down to Oklahoma City for our high school mission trip. We have 3 adults and 5 students spending the week working and learning together! We ask for your prayers as we connect with the people of OKC and with each other. During the summer as we are traveling a lot for youth group things, vacations, family events, and everything else we know that we might not all be together all summer but we are praying for every single youth, and adult that's involved with Crossfit Youth Ministries. Check out the schedule below to see how you can stay connected this summer.

June 4th - 10th - High School Mission Trip to Oklahoma City, OK June 7th - First Wednesday of Hump Day Happy Hour Join the youth group at Sonic every Wednesday at 3pm to catch up and hang out during the week. June 7th - Middle School Youth & Kids Connect @ You're Fired! Middle Schoolers and kids (and parents!) are invited to meet at You're Fired to paint ceramics together. June 11th - VBS Training All adults and middle and high school volunteers should come to this training if possible to prepare for VBS in July! June 11th - Game Night! \*\*\* This game night has been moved up from June 25th to avoid meeting on the 18th (Father's Day), and to accommodate a wedding reception on the 25th. June 19th - 23rd - Middle School Camp @ Camp Horizon! All middle school students are invited to sign up for Camp Horizon! See

Melissa for more info if needed

I'd like to send out some thanks in advance for those adults that are going to be a part of our Sunday School teacher rotation this summer. It's so important for the youth to connect with different adults, and when I can't be there every week I'm so grateful to know that we have some awesome people to pour into our youth on Sunday mornings. You all are awesome, and SOOO appreciated!
